*Silent Valley as Hosted by the Drifters*

The Drifters had the privilege of hosting the caravan at Silent Valley. We had 31 rigs, including one guest. We almost had perfect weather, it was quite warm early in the week and then dropped a little every day until on Saturday morning the light fog caused the temperature to drop drastically, and it stayed cool all day. On Thursday quite a few Lazy Dazers took advantage of happy hour at the restaurant/bar. The food was good, although a very limited menu. The Friday barbecue and entertainment was really enjoyed. Dickies catered with enough food and there were even leftovers. Georgeann Lovett and the entertainment committee coordinated the events and did an exceptional job. Georgeann also did a lot of baking, having a great assortment of goodies for the morning coffee.

A great big thank you goes to all the ladies who participated in the Lazy Daze Caravan Club sewing project at Live Oak on Thursday May 19th. Many of you donated beautiful fabrics to use in making the adult bibs. We had ladies cutting out the bibs while other sewed. We also had ladies turning, clipping and pressing. We even had two ladies adding some bling to the finished bibs. We were able to give 56 bibs to Vitas, an organization that cares for people who are on hospice care. I'm sure the lovely bibs will cheer up a patient's day.

Again thank you all for your participation in making this project a success!!!

## Dickey's BBQ and Barbershop Quartet

Thanks to everyone who helped with the Dickey's Dinner and Barbershop Quartet Show at our June outing. Thank you, everyone who brought tables and zip lock bags, and anything else we seemed to need. Thank you everyone who brought tables and helped with setup (and teardown/cleanup). Thank you Vern Tutterrow and Ed Widmar who setup the sound system. Thank you everyone who served the food – with a smile and fun - and, everyone got ample portions. Thanks to all of you. It's folks like you that make these events such a huge success!

# SILENT VALLEY HOTDOG FEAST

Always a fun time together to start off the Summer Season with our Caravan friends and family.

## KITE FLYING FUN

Let's go fly a kite  
Up to the highest height  
Let's go fly a kite  
and send it soaring  
up through the atmosphere  
up where the air is clear  
Oh, let's go fly a kite

There will have a kite flying event, on Friday of the Caravan. The time, probably when the prevailing winds start, the afternoon is usually when that happens. We would like many of the members to participate and have fun!!
