Catalina Spa RV Resort Report

Happy St Patrick's Day!

The Firesiders hosted the caravan this month at Catalina Spa RV Resort in Desert Hot Springs. We couldn't have asked for a more beautiful week. We did have to navigate our way through a little wind but we all kept our feet on the ground. Unfortunately the host tent did not fair well in the wind overnight Tuesday. Although it was tethered down by "MacGyver" and son it had a mind of its own and decided to lift itself up and fly away in pretty heavy winds. Luckily it missed Bob Schmahl's rig, Lil Dazy and a huge solar farm over the wall. Wednesday morning it was stretched, pulled and tweaked to make a "semi" host tent and some shade for its host tent volunteers the rest of the week. Thank you to all of you that helped out at the host tent.

We had a great game of Bingo on Friday with Ed Widmer charming us and calling the numbers. We played 5 games and had lots of winners.

The ladies got together to have a craft making event too. They made cards for Easter and holidays led by Caryl Fisher.

Friday night was Movie night in the clubhouse with a dessert pot luck. Everyone loved the movie, The Long Long Trailer with Lucy and Desi Arnaz. Some said they had never seen it and found it to be hilarious, especially since it had to do with rv'ing. Thanks to everyone that put that together. It was a fun evening.

Saturday morning we had perfect weather to have the washer toss tourney. A nice breeze and sunny blue skies brought quite a few teams out to compete. Thanks to Gary Wells for always working hard to make this a success!

Lots of mexican train games and pot lucks made the week what its all about, friendship and fun!

See you next month at Tucalota Springs!!

Catalina Spa Washer Toss

March 16, 2019

Saturday proved to be a great day on the desert, with morning temperature in the mid-sixties and forecasted to get up into the eighties. Earlier in the week, those who arrived early had to put up with the wind that proved disastrous to the host tent. However, the Firesiders prevailed and did an excellent job hosting our outing.

There were a total of 39 Rigs in camp and we were able to field 13 teams for our washer toss tournament, although, two of the guys had to play as gals.

Team 8, Joe Fletcher and Eileen Peternouschek, were unbeaten to win the winners bracket and had to play, team 2, Ken Palmer and Carol Kratzer, who had lost their first game to team 1, Mike Lemp and Claude Potts, but persevered to win the losers bracket to play for the championship.

Joe and Eileen had to win only 1 game against Ken and Carol to be our Catalina Spa Champions, but alas, Ken and Carol were on their game and defeated Joe and Eileen two straight games to win the championship.

Congratulations to Ken and Carol

Women's Only Charity Project May 2019 - Lake Cachuma

The Women's Only group will be making "Pretty Pockets" for our charity project this May at Lake Cachuma. In a nutshell, Pretty Pockets are free gifts for breast cancer patients. They are a much needed discreet way to conceal surgical drain tubes after breast surgeries or mastectomies.

We will be cutting these out and sewing them as a group.

If you would like to participate or donate the supplies that are needed to make them are listed below.

- No more than 1 yard of flannel in fun prints. No baby prints. Please WASH in UNSCENTED detergent or a rinse cycle before you bring to caravan. Very important!!
- Please bring a corresponding thread to match.
- We will need fabric scissors.
- The safety pins are being donated by Lydia Granger and the ribbons needed will be donated by Velna Wells, Mona Shaner and Carol Harter.
- We will need some sewing machines to help with the sewing part of the project.
- If you have a machine we would appreciate it if you can bring it.
- We would love for all the women of the Lazy Daze club to help out with this project. It's fun and pretty user friendly!
- We will have a wonderful room at Lake Cachuma to work in so weather won't be a problem.
- We hope you will join us for this worthwhile cause.
- Any questions can be referred to Connie Johnson.
- Thank you in advance for helping out!!
- We would like to thank Sharon Turner for bringing this project to our attention and Carol Harter along with Mona Shaner who will be our guides for the project.

Crafts Projects

Paper Crafting Meeting
Carol Harter, Katie Wynne, Marty Watkins, Caryl Fisher

At the Upper Clubhouse on Friday, Caryl Fisher provided all of the materials

and instruction for the creative ladies that came to craft greeting cards.

They created beautiful and personal cards for grandchildren, friends and family, which will be treasured hand-made memories.

GOODWILL AMBASSADOR REPORT

Firesider, MIKE SKINNER #2366 broke several ribs playing Table Tennis. He fell on his back against a wall. I see he made it to the last caravan. He must be really tough.

Outback, LURLIE EDGECOMB, #2285 she slipped in water and went down on her face and right shoulder and broke her nose. She has to hold her arm to her side. She seems to be in a lot of pain. All her work has be done one-handed, that includes driving a Lazy Daze.

Back Scratcher, URSULA VORBECK #2589, is ill and undergoing some medical treatments.

General Meeting at Catalina Spa RV Resort

The General Meeting held indoors out of the weather. Lots of wildflowers in the area made for great viewing and many of us visited the local restaurants.

Dogs for Better Lives

We collected for "Dogs for Better Lives" \$56.25 at our March Caravan in Desert Hot Springs. We want to thank all those that donated and more than doubled my \$9.00 challenge from last month.

We all know that this will be so appreciated by their organization.

Thank you!

Bingo

Glad to see Bingo is in our lineup of activities. Everyone looks like they are having a great time with Ed Widmer calling the numbers.
