Welcome Lazy Dazers To Catalina Spa & RV Resort

Arriving at Lake Perris on Tuesday with some cool temperatures and the weather forecast to be a little damp for the week, Roadrunners set up the host tent hoping for a good turn out, but, alas only 29 LAZY DAZERS and 1 guest braved the elements for this outing. We had 11 Guys and 9 Gals sign up for our tournament.

Wednesday the rain started and continued thru Thursday, keeping everyone pretty much inside. Fridays prediction called for cloudy but no rain until late in the evening. Saturday the sun graced us with its presents and we decided to have a washer toss tournament instead of boat races.

Claude Potts, hoping to win the tournament for the third time in a row, and his partner Amy Lemp, team 5, lost to team 6, Byron Shaner and Georgeann Lovett, in the first game so were placed into the losers bracket for the tournament. Byron and Georgeann continued on to defeat Terry Tanner and Carol Potts, team 10, to win the winners bracket. Terry and Carol had then to defeat the winner of the losers bracket, Claude and Amy, to determine who would play Byron and Georgeann for the tournament championship.

Terry and Carol prevailed to beat Claude and Amy eliminating Claudes chances of a 3 Peat.

Terry and Carol had to defeat Byron and Georgeann twice. They were able to win the first playoff game, but Byron and Georgeann came back to win the second game to win the tournament.

Congratulations to Byron and Georgeann for a tournament well played.

I can't take it anymore!

Women's Only Charity Project May 2019 - Lake Cachuma

The Women's Only group will be making "Pretty Pockets" for our charity project this May at Lake Cachuma. In a nutshell, Pretty Pockets are free gifts for breast cancer patients. They are a much needed discreet way to conceal surgical drain tubes after breast surgeries or mastectomies.

We will be cutting these out and sewing them as a group.

If you would like to participate or donate the supplies that are needed to make them are listed below.

- No more than 1 yard of flannel in fun prints. No baby prints. Please WASH in UNSCENTED detergent or a rinse cycle before you bring to caravan. Very important!!
- Please bring a corresponding thread to match.
- We will need fabric scissors.
- The safety pins are being donated by Lydia Granger and the ribbons needed will be donated by Velna Wells, Mona Shaner and Carol Harter.
- We will need some sewing machines to help with the sewing part of the project.
- If you have a machine we would appreciate it if you can bring it.
- We would love for all the women of the Lazy Daze club to help out with this project. It's fun and pretty user friendly!
- We will have a wonderful room at Lake Cachuma to work in so weather won't be a problem.
- We hope you will join us for this worthwhile cause.
- Any questions can be referred to Connie Johnson.
- Thank you in advance for helping out!!
- We would like to thank Sharon Turner for bringing this project to our attention and Carol Harter along with Mona Shaner who will be our guides for the project.
