February 2021

**Welcome Lake Perris

Recap from Firesiders

We enjoyed some beautiful weather for the most part at La Paz County Campground. The winds kicked up a few afternoons and evenings but that didn't keep folks from having some fun.

We had 24 rigs that came to enjoy all the activities for the week. We enjoyed meeting Betty Boschma's daughter Susie and her husband Kenny who came as guests. We had one First Timer who arrived late afternoon on Friday. Not only was it their first caravan it was their maiden voyage in their 1986 Lazy Daze. We welcomed Bob and Elaine Taylor from Lake Havasu. Bob was excited to meet with other Lazy Dazers and get all his many questions answered. We hope to see them again down the road.

We did not do coffee this month to keep ourselves at a distance. Although it seems that Arizona is wide open for dining in and not wearing masks. Only those from California had masks on for the most part.

We want to thank those that donated Door Prizes each day. Bob Filler donated a big box of Sees candy that was grabbed up quickly by a winning number. We had some great Covid kits and some more Sees candy donated by Bob Schmahl and Carol Harter. They could not be there but sent along some door prizes. Carol Quinowski made some of her famous toffee and peanut brittle and sent it along for door prizes to caravan because they could not attend either. That was a big hit! Herb Johnson donated two gift cards for morning winners and Herb and Connie Johnson had puzzles made from a photograph of the famous pirate ship at Pirates Den for some great door prizes. We thank you all for your support!

Thank you to John Van for Tech Talk, Al Granger for Safety committee leader, Lydia Granger for her Valentine card making class along with Connie Johnson for Pot of Gold and Dave Hurley for snapping pictures all week. We appreciate Gary Wells taking on Washer Toss in some dusty conditions but it got handled and was lots of fun. Thank you to Dave and Christine Nordström for keeping our little campground safe from squatters! The Firesiders enjoyed hosting this month and hope those of you that came had a good time.

Washer Toss Contest

La Paz County Park

January 16, 2021

Twenty-four rigs came out to brave the elements, rain, shine, wind or what have you. Well no rain but sunshine and wind. Boy did we have wind. Wednesday people stayed inside and let the wind blow and dust flow.

Although we only had 24 rigs, including 1 guest and 1 First timer, 14 people signed up for our washer toss tournament. Team 5, consisting of Herb Johnson III and Susie Van Foeken, held off all challengers to win the winners bracket.

Team 4, Bob Nastase and Velna Wells, won the losers bracket, defeating Team 6 Barbra Jacobson and Cindy Thompson,

Playing double elimination Team 4 had to beat team 5 twice to win the tournament. However team 5 Herb and Susie were on their game and after canceling the each others points, Herb and Susie prevailed to win the tournament.

Congratulations to Herb and Susie

The Sheriff helicopter patrolled all week.

The flag gave us wind direction.

Dogs for Better Lives

Thank you to those of you that dropped your spare change and paper bills in the donation jar for Dogs For a Better Life jar at the host tent. We collected \$15.50 January! We hope to see some more change in February! Thank you!!

Our club has been giving to this charity for many years with the funds received from collecting aluminum cans. We now have a donation jar near the Host tent at each caravan for you to put any spare change or paper money in. Every little bit helps.

Did you know that 81% of your philanthropic dollar goes directly towards program costs.

Dogs for Better lives is a national non profit award winning organization rescuing and professionally training Assistance Dogs since 1977. They maintain a lifelong commitment to all dogs they rescue or breed to the people they serve. So next time you see the jar feel free to know your donation is going to a very good cause.

Thank you!!

It was a bit windy at Parker. Some of us wore masks just to keep the sand and dirt out of our teeth!
