## Welcome to La Paz County Park

Didn't receive a Host article for December but I have a lot of great photos from the event. Looks like everyone had a great time and good attendance. Here is the Len Philippi Washer Toss Tournament results.

### Len Philippi Washer Toss Tournament December, 3, 2021

With a total of 53 Rigs in camp, 19 teams were fielded for our annual Len Philippi Washer Toss Tournament.

The weather proved to be cool with everyone looking for a place to sit in the sun to keep warm.

There were an even number of Guys to Gals so none of the Guys had to wear a Tu-Tu.

Team 1, Merlin Thimlar and Maria Johnson, having lost their first game, held on to defeat team 15, John Van and Sharon Turner, to win the losers bracket and advance to the finals of our tournament where they had to play team 4, Roger LaPorte and Carol Potts.

Roger and Carol were on their game and defeated Merlin and Maria to win the tournament.

Congratulation to Roger and Carol for game well played.

## Dogs for Better Lives

The club donated \$180 to Dogs for Better Lives and it will be matched to make a total of \$360 donation. We had a lot of dollars put in the jar at Lake Cachuma. We want to thank everyone that has donated throughout the year.

# Death Valley Desperados

Death Valley News 2021 - By Christine Nordstrom #2048

Although we desperately need the rain...Dave and I almost didn't make it on the trip at all! Getting our Lazy Daze off our property was no easy task. We had to wait for the rain to stop long enough to allow the roads to dry up before attempting the hill. It was still a muddy mess! We were finally able to hit the road the day after Christmas and arrived at 4:30 am. The first two Death Valley Desperados, The Orr's (Carl & Jean) and the Warr's (Mike & Barbara) were already there to save us a spot on "C" row. Once we were situated, I got the word out to the Lazy Dazer's regarding our location via social media.

We were soon joined by Steve Tivy, for a total of 4 rigs in camp by Monday. We even had 2 sets of "First Timers" come stay with us. Steve & Gina from Eureka/Palm Desert and Eric & Lori from Carlsbad, who saw our post on Facebook and decided to make the trip.

We went exploring in the "toads" nearly every day and revisited Ash Meadows, Artist Palette, Bad Water, Devils Cornfield, Eye of the Needle, Dante's View, Harmony Borax Works and an abandoned mine or two to photograph during our travels (to name a few!). The weather was usual, so we experienced sunny days, a few cloudy, partly cloudy, a bit of wind and only a few sprinkles on New Year's Eve to interrupt our adult beverages!

We decided to make a Happy New Year video and sent that on to Rosemary Webb, Bob & Francis Smith and Bob Filler, since they were unable to be with us. Unfortunately, due to weather and Covid concerns, we had a much smaller group than usual, but still had a wonderful time getting to know each other better and I can't wait to do it all over again! Here's to a Better and Blessed 2022! See you all next year!
